BRIEF ABSTRACT OF LETTER.

Requests that the Senior Surgeon may be authorised to supply medicines &c to the Agl School & the Farm free of cost annually as he considers that G.O. No 2516-17-Agri 13-13-4 & 19.9.13 does not authorise the free issue of medicines annually nor is there any provision in the medical budget on this account.

NOTES AND ORDERS.

The order quoted above does not appear to contemplate an annual free supply.

No reference as to what was done for medicines last year in this connection has been received

of Agriculture, &c., Bangalore.

Sir,

I have the honour to state that an indent for medicines &c. required for the Agricultural School and for the Farm at Hebbal was sent on 19th July 1915 to the Senior Surgeon in Charge Medical Stores for compliance with a bill but later it was pointed out that the supply should be made free of costs as per Government Order No.2516-7/Agri. 13-13-4 of 19th September 1913. The Senior Surgeon in forwarding a bill for Rs.57-15-0 for acceptance considers that a fresh sanction is necessary as the Govt. Order quoted does not authorise the free issue of medicines and appliances annually to the Hebbal School nor does any provision exist in the Medical Budget on this account." Under these circumstances I have the honour to request that you will be so good as to obtain sanction of Government authorising the Senior Surgeon to supply medicines &c. to the Agricultural School and the Farm free of cost annually,

I have the honour to be,
Sir,
